

Help for charities

Cheque Presentation

CHRISTMAS came early for two local charities thanks to Swaffham Rotary club and a helping hand from the town's Barclays Bank branch.

Rotary club president Alan Jones presented £550 each to Swaffham and Litcham Home Hospice Support and Keeping Abreast, a breast cancer reconstruction support group, from a charity concert held at the home of Mr and Mrs Tony Abel, in Little Cressingham, in the summer.

Jo Antliff, from Barclays Bank in Swaffham, had previously presented Mr Jones with £333 towards the total as a matched-funding donation.

Presentations to the charities took place at the hospice offices on the EcoTech Business Park.
